

Your local office has now re-opened!

These past few months have been challenging for everyone, and we hope that you are all safe and healthy amid the COVID-19 pandemic. We are pleased to announce that our branch in Westbury is now open for business.

As the state of this public health emergency changes from day to day, we will remain focused on keeping our employees and our customers safe, healthy, and informed. We will be following Government guidelines carefully and implementing a number of safety measures, which we would ask you to bear in mind. Please feel free to contact us if you have any questions or concerns.

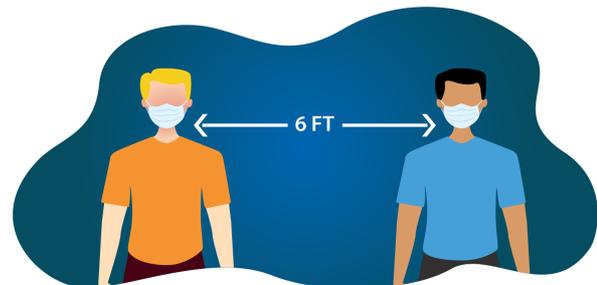

We feel extremely fortunate to be able to welcome our customers back to the office, enabling us to maintain our presence and meet our customers face to face.

Steps we've taken to keep you safe

Please bear with us as we have implemented new measures within the office. These are explained on posters at the entrance to the branch and below:

We are limiting the number of customers in the office at any one time. This is to support social distancing and to help protect you, our staff and the community.

For your use, we have provided hand sanitising gel on stands as you enter the office.

Please remember to stay a safe distance (at least 6 feet) from staff and other customers and there is 2-metre distance tape on the floor to aid you in this.

If we are busy please kindly wait outside of the office and we will be with you as soon as possible. Thank you for your understanding.

Branch hours

We have re-opened the doors to customers at our Westbury branch. Our opening hours are Monday-Friday, from 9am-5.30pm and Saturday 9am-12.30pm.

We look forward to welcoming you into our branch once again, delivering our high standard of personal service and meeting your insurance requirements as quickly and efficiently as we can.
